Bed and Breakfast Special V

Mount View Estate

Mount View Estate is aptly named. The mountains views are extraordinary. Nestled in the picturesque Yarra Ranges, this four hectare haven offers seclusion and luxury, and a touch of class.

Mount View combines the intimacy of a Bed & Breakfast with the sophistication of a world-class resort. And it's only a 75-minute drive from Melbourne, up the Warburton Highway to Yarra Junction.

Owner Dan Vorhauer came across the property by chance. He was visiting his parents and was on a Sunday drive, when he walked onto the property and fell in love with it.

Dan admits he's a perfectionist, and it certainly shows in this establishment. In every room you'll find luxury, including a plasma television. Mount View certainly is designed to cater for the guest who likes gadgets. Meanwhile, the furnishings and fittings are luxurious, comfortable and tasteful, Dan is true to his word, he is a perfectionist.

When not watching telly, take a quick glance out of any window and it reminds you that you're not far away from hot air ballooning, beautiful walks and enough wineries to tour forever.

Then again, who needs all of those activities when you've got it all laid on here? You can get a private massage, relax with a session of yoga on the terrace, or take a swim with a view, in the Estate's magnificent waterfall edged pool.

While you're enjoying the outdoor facilities, a chef can be arranged to prepare your evening meal, or whip up your own feast in the well fitted out self contained kitchen.
